Is Biblical Healing For Today?

People have different convictions
about whether God will sovereignly heal today.
Some say He will not.

**Those who have received His gracious gift of healing know differently!
They know God has ordained healing to take place in one of three ways:**

- (1) Natural: Often the body heals itself.
- (2) Medically: Professionals trained to use modern medicine.
- (3) Supernatural: God acts independently responding to the faith of people. The Bible calls this “a gift of healing.” (I Cor. 12:9)

When Jesus sent out the twelve disciples, He commanded them to “Heal the sick” (Matt. 10:8)

We know from experience that God has not stopped healing, delivering and saving people. He responds to your faith and ours to do it.

That is why we have opened:
